As a reminder, record books are a requirement for all fair entries, all participants must participate in one project interview of their choice, and there will be no entries permitted after the late entry deadline.

**OLD BUSINESS:**

Todd wrote a grant to the Foundation for additional funding for those attending WRLF. The Foundation approved \$1,100.00 to cover transportation and hotel costs.

**NEW BUSINESS:**

- Demo Day: A general report was taken from our volunteers on how prize gathering was going. Please do not forget to gather your prizes in time for Demo Day.
- New Ambassadors Needed: We are in need of new Ambassadors. If you know anyone age 14 and older that is interested, or you would like to refer as an Ambassador, please have that youth fill out an application attainable at the 4-H office.
- Montana 4-H Foundation Dinner: The dinner will be held March 25, 2006. The cost is \$50.00 per person. Outback Steakhouse is generously donating the entire dinner. The Foundation is requesting silent auction items for this event.
- License Plates: There will be a statewide campaign to promote the 4-H License Plates. These plates are tax deductible. The state keeps \$10.00 for making the plate, and the remainder goes to the county for which the plate was purchased. There was also a request for donations to promote the campaign. Unlimited will be donating \$50.00.
- Club Display Competition at Fair: Club, Project, and Members at Large are encouraged to make displays at Fair. An outline of rules will be presented at the next meeting.
- Square Table: Those who attended Western Regional Leaders Forum will be sharing what they learned. Time and date to be announced.
- Cotton Candy Machine: \$850.00 was approved for the purchase of a new Cotton Candy Machine with the bubble covering. We will be looking into brands, makes and models.
- MSU Horse Camp Scholarships: There are volunteers set in place for assistance in learning how to earn money as well as someone writing the scholarship application for this event. Current and up to date record books are required and must be submitted with the application. Funds will be allocated at a later date, dependant upon the amount of applicants and scholarship assistance available.
- Concessions: We are in need of someone to run concessions. There is monetary payment available for this job. If anyone is interested, please contact the 4-H office for details.
